

About Dubai Holding

Dubai Holding is a diversified global company with operations in 13 countries employing over 20,000 people. Established in 2004, Dubai Holding manages an AED 130 billion worth of assets, which support the diversification and growth of Dubai's economy across 12 sectors, including tourism, hospitality, real estate, media, ICT, education, science, retail, industrial and design.

Dubai Holding's portfolio includes:

- Jumeirah Group, a global luxury hotel company that operates a world-class 6,500+-key portfolio of 26 properties across the Middle East (including the flagship Burj Al Arab) Europe and Asia, with more properties currently under construction around the globe.
- Dubai Properties, the master developer and residential real estate development arm of Dubai Holding behind Dubai's most renowned and iconic destinations such as Jumeirah Beach Residence and Business Bay.
- TECOM Group, the owner and operator of 10 sector-focused business districts such as Dubai Internet City and Dubai Media City.
- Dubai Asset Management, one of the largest residential asset management companies in the UAE providing owners' association management, community management, leasing and property management services to individual homeowners and institutional landlords.
- Dubai Retail, the retail management arm that focuses on developing, operating and managing Dubai Holding's extensive range of strategically located retail assets across prime destinations and communities.
- Arab Media Group, the media and entertainment arm that comprises Global Village, Arabian Radio Network, Multi-Platform Network and Done events.

Dubai Holding plays an influential role in delivering on Dubai's economic diversification strategy and initiatives such as Tourism Vision 2020, Dubai Innovation Strategy and Dubai Industrial Strategy.
