

About Dubai Holding

Dubai Holding is an investment conglomerate with operations in 12 countries employing over 20,000 people.

Established in 2004, Dubai Holding manages an AED 130 billion portfolio of assets, which supports the strong development of Dubai's non-oil economy across sectors including; tourism, hospitality, real estate, media, ICT, education, design and trade.

Its portfolio includes:

- Jumeirah Group, the hospitality arm which owns and operates 20 hotel developments in 9 destinations in 8 countries
- Dubai Properties, one of the largest fully integrated and community development business in Dubai
- TECOM Group, which manages 11 of Dubai's most successful business communities
- Dubai Asset Management, owners of one of the largest portfolio of residential communities for rent in Dubai
- Dubai Retail, the retail management arm that focuses on developing, operating and managing Dubai Holding's extensive range of strategically located retail assets across prime destinations and communities
- Arab Media Group, which implements a strategic plan to develop new family destinations and further grow digital media business lines.

Dubai Holding's current project pipeline will add significantly to the Emirate's portfolio of landmarks. This includes Marsa Al Arab, Emirates Towers District and Dubai Creek Harbour, a joint venture with Emaar Properties. Dubai Holding plays an influential role in delivering on Dubai's economic diversification strategy and initiatives such as Tourism Vision 2020, Dubai Innovation Strategy and Dubai Industrial Strategy.
