 - SME

Dubai Holding's current project pipeline will add significantly to the Emirate's portfolio of landmarks. This includes:

- Madinat Jumeirah Living
- Burj Jumeira - the new 550 meter tower to be located in Downtown Jumeira
- Emirates Towers District
- Dubai Creek Harbour, a joint venture with Emaar Properties

Dubai Holding's portfolio includes:

- Jumeirah Group, a global luxury hotel company, which operates a world-class portfolio of 15 properties in the Middle East, including the flagship Burj Al Arab, 5 properties in Europe and 3 in Asia with 13 properties currently under construction around the globe. Its portfolio comprises 6,413 keys.
- Dubai Properties, the diverse real estate developer behind iconic destinations such as Jumeirah Beach Residence and Business Bay.
- TECOM Group, the owner and operator of 11 sector-focused business districts such as Dubai Internet City and Dubai Media City.
- Dubai Asset Management, one of the largest residential asset management companies in the UAE.

- Dubai Retail, the retail management arm that focuses on developing, operating and managing Dubai Holding's extensive range of strategically located retail assets across prime destinations and communities.
- Arab Media Group, which includes Global Village, Arabian Radio Network, Multi Platform Network and Done events, is the media and entertainment arm of Dubai Holding.
